

# NCR WATCH DESK

SUNRISE BRIEF, JANUARY 30, 2020

## I. WEATHER

- **Today:** Partly sunny. High 42°. Low 29°.

## II. DEVELOPMENTS OF NOTE

### National Capital Region

- **Prince George's County:** Prince George's County Police are investigating the death of a man after finding his body floating in the Potomac River near the National Harbor. A cause of death has not been determined.
- **Fairfax County:** Officers from the Special Weapons and Tactics Team (SWAT) were confronted by a man brandishing an assault weapon while serving an arrest warrant. A SWAT officer discharged his weapon striking the man in the lower body. Officers immediately rendered medical aid and the man was taken to a hospital where he was treated. Detectives found multiple assault-style weapons, a pistol and narcotics in the home. [Link](#)

### United States

- **Florida:** The state will activate its emergency operations centers in Tallahassee, Miami-Dade and Broward counties to support federal Homeland Security officials for Super Bowl 54. The state Emergency Operations Center is activating to Level Two, essential personnel only. [Link](#)
- **California:** Firefighters responded to a fire on the sixth and seventh floors of a high-rise apartment building that did not contain a sprinkler system in the Sawtelle neighborhood of West Los Angeles. Eleven people were injured. The cause of the fire is under investigation. In 2013, a fire on the 11th floor of the same building, displaced 150 residents and injured two people. [Link](#)

## National Capital Region

- **Virginia:** The Fairfax County Health Department is working with the Virginia Department of Health and local healthcare communities to limit the spread of Novel Coronavirus (2019-nCoV) that began in Wuhan, China. To date, there are no cases of 2019-nCoV in Virginia. [Link](#)

## World

- **France:** Officials confirmed a fifth case of infection by the 2019-nCoV. The patient is the daughter of an 80-year-old man already hospitalized with the disease. French nationals will repatriate from the epicenter of the virus on flights leaving today, with a second flight to follow tomorrow. [Link](#)
- **United Arab Emirates:** The Ministry of Health confirms its first cases of the new 2019-nCoV in a four-member Chinese family. Health officials emphasize that the diagnosis is not a cause for concern. [Link](#)
- **Global:** The World Health Organization's (WHO) Emergency Committee is meeting today to evaluate whether the new 2019-nCoV spreading from China now constitutes an international emergency. [Link](#)
- **Global:** Multiple airlines are suspending or scaling back direct flights to China's major cities amid an increase in travel warnings due to a growing outbreak of 2019-nCoV. The virus is the biggest epidemic threat to the airline industry since the SARS outbreak in 2003. [Link](#)
