II. DEVELOPMENTS OF NOTE

**National Capital Region**

- **Montgomery County**: All Outer Loop lanes of I-495 (Capital Beltway) past Greentree Road are closed due to an accident involving a tractor-trailer with damaged diesel fuel tanks. Traffic is diverted to Old Georgetown Road/Exit 36. The estimated time of closure is unknown.

- **National Capital Region**: Metro service will operate on a COVID-19 Saturday-Sunday schedule for Memorial Day, Monday May 25. All subscription trips for MetroAccess will be cancelled. Metro's customer information call center will also be closed in observance of the holiday.

- **District of Columbia**: Police reported an increase in reports of stolen vehicles. Police are reminding the public to never leave car engines running and to keep cars locked when unattended.

**United States**

- **Nationwide**: The Centers for Disease Control and Prevention report 97 people are infected with the outbreak strain of *Salmonella Hadar* across 28 states, including Maryland and Virginia. Evidence shows that contact with backyard poultry (such as chicks and ducklings) is the likely source of the outbreak.

III. COVID-19 (CORONAVIRUS)

- **Overview**: Johns Hopkins University reports 5,225,916 COVID-19 cases, 338,431 deaths, and 2,067,574 recoveries worldwide as of 5AM. In the US, there are 1,601,434 cases, 96,007 deaths, and 350,135 recoveries.

- **National Capital Region**: There are 52,918 COVID-19 cases and 2,140 fatalities reported in the NCR. DC, MD, VA

- **Nationwide**: The Centers of Disease Control and Prevention released recommendations for communities of faith to help prevent exposures to COVID-19 and to keep staff and attendees safe.

- **District of Columbia**: A Before You Open Checklists was released along with the District's summer updates and start date for public schools in the latest Situational Update.

- **Maryland**: Three additional COVID-19 test sites at Walmart locations opened in the state, including one in Frederick County. Residents will be able to take a self-administered test.

- **Prince George's County**: The county is on track to move toward a modified Phase 1 reopening by June 1. Recent data shows the county is on a downward trend in positive cases, hospitalizations, and death rates.

- **Virginia**: Residents can now use COVIDCheck, an online risk-assessment tool to check their symptoms and connect with the health care professionals.
