II. DEVELOPMENTS OF NOTE

National Capital Region

- **District of Columbia:** Today, Friday, December 6, 2019, environmental activists are planning to disrupt targets, such as financial institutions in the District. Demonstrators activity will impact major traffic arteries near the 1800 block of H Street NW and adversely impact traffic near Franklin Square in the 1300 block of I Street NW. Please plan ahead and expect delays. Link

United States

- **Minnesota:** Three soldiers were killed after their National Guard Black Hawk crashed during a flight from an Army aviation facility in St. Cloud, 76 miles from St. Paul. The helicopter lost communication yesterday while it was conducting a maintenance test flight and called mayday roughly nine minutes after takeoff. Link

- **New York:** One person is dead, and two employees were injured after an explosion on an electrical line in the Bronx. The explosion caused power outages, cancellations, and delays along the Northeast Corridor route. The Amtrak Safety Director does not foresee any long term impacts. Link

- **Florida:** Four people died in a shootout after a failed robbery attempt. Thieves attempted an armed robbery at a jewelry store in Coral Gables, nearly five miles from Miami. City Hall was placed on lockdown after a bullet struck a window. The suspects carjacked an UPS truck, took the driver hostage, and led police on a high-speed chase through multiple counties. It is unclear if the UPS truck driver and bystander were shot by the thieves or in police crossfire. Link
