II. DEVELOPMENTS OF NOTE

- **District of Columbia**: Fire & EMS water and land units conducted a search for a man swimming in the Potomac River at Chain Bridge last night at 8PM. After an extensive search, the search transitioned to a **recovery**.

- **Montgomery County**: All southbound lanes on I-270 at MD-189 Exit 5/Falls Road were closed last night due to a **collision** involving a tractor trailer and four vehicles. Four patients were treated for non-life-threatening injuries.

- **Fairfax County**: Several Volunteer Fire Departments are partnering with Inova Blood Donor Services to hold **blood drives** in their fire station parking lots due to dangerously low levels of blood supplies in the county and nation.

- **Montgomery County**: The first Neighborhood Greenway **“Shared Streets”** to support increased pedestrian and bicyclist activity will go into effect Monday, June 15.

III. COVID-19 (CORONAVIRUS)

- **National Capital Region**: There are 71,283 COVID-19 cases and 2,700 fatalities reported in the NCR. **DC, MD, VA**

- **District of Columbia**: The National Arboretum is open three days out of the week from 1PM to 5PM. A limit of 200 cars are allowed on the grounds at one time.

- **Maryland**: A new **data visualization** allows residents to view and compare positivity rate in their jurisdiction to the statewide rate.

- **Montgomery County**: Beginning today, from 11AM -10PM, several streets in downtown Bethesda will be **closed to vehicles** for additional restaurant seating outdoors.

- **Virginia**: Effective Friday June 12, Northern Virginia will enter **Phase Two**. Schools will slowly **resume in-person classes** for the summer school and the coming academic year.

- **City of Alexandria**: **Outdoor amenities** will begin reopening Friday, June 12, and are expected to be fully reopened on Monday, June 15.

- **Loudoun County**: The delay of public pools has residents swimming in naturally waters. Officials urge residents to use **caution while swimming** in waterways, human-made bodies of water and private pools as they can pose a variety of health and safety risks.
