- **Hazardous Weather Outlook:** Isolated instances of flooding are possible from locally heavy rain this evening.

II. DEVELOPMENTS OF NOTE

**National Capital Region**

- **National Capital Region:** Metro has set up contactless methods of information to keep customers informed about summer track work service while protecting the safety of the customer outreach teams and the public.

III. COVID-19 (CORONAVIRUS)

- **Overview:** Johns Hopkins University reports 8,681,357 COVID-19 cases, 460,366 deaths, and 4,261,263 recoveries worldwide as of 6AM. In the US, there are 2,222,576 cases, 119,131 deaths, and 606,715 recoveries.

- **National Capital Region:** There are 75,720 COVID-19 cases and 2,880 fatalities reported in the NCR. [DC, MD, VA](#)

- **Nationwide:** Travel restrictions are being lifted for military personnel in 46 states. Individual military installations within the states will be subject to an assessment of conditions.

- **Nationwide:** A free online contact tracer course is available. Students will be able to earn a certificate upon completion.

- **Nationwide:** Effective October 1, Amtrak will cut service most of its long-distance routes to three times a week due to low ridership during the pandemic. Cuts will remain in place until at least summer of 2021, but daily service could be restored if demand improves along its long-distance routes.

- **District of Columbia:** Phase Two will begin Monday, June 22, allowing certain businesses to reopen and activities to resume under specified conditions.

- **Maryland:** New guidance to allow limited outdoor visits to nursing home facilities were announced. The plan allows for limited communal dining and small group activities to resume with proper precautions in place.

- **Virginia:** New guidelines and testing requirements for reopening long-term care facilities were announced and outlined how the Commonwealth will direct funding to support long-term care facilities in their response to COVID-19.
