II. DEVELOPMENTS OF NOTE

**National Capital Region**

- **District of Columbia:** [DC FEMS](#) responded to a two-alarm fire at 300 M Street SW. One patient was transported with non-life threatening injuries to a local hospital and six residents were displaced by the fire.

III. COVID-19 (CORONAVIRUS)

- **Overview:** Johns Hopkins University reports 5,424,718 COVID-19 cases, 345,296 deaths, and 2,176,490 recoveries worldwide as of 5AM. In the US, there are 1,643,499 cases, 97,722 deaths, and 366,736 recoveries.

- **National Capital Region:** There are 54,800 COVID-19 cases and 2,208 fatalities reported in the NCR. [DC, MD, VA](#)

- **Maryland:** Comptroller of Maryland is urging businesses temporarily closed due to COVID-19 to use the Business TeleFile system. This automated system is available 24 hours per day, seven days a week and streamlines the filing of sales and use tax, as well as withholding taxes when no taxes are owed for a filing period.

- **Maryland:** MCEDC, has selected the company Westat to conduct a COVID-19 Adaptation and Recovery Study. The study will track and analyze the ongoing impact of the COVID-19 pandemic on the county’s businesses through spring of 2023.

- **Virginia:** [GMU College of Health and Human Services](#) has launched a two-part study to model how the COVID-19 disease spreads through each stage of the stay-at-home order. When both parts of the study have been combined, the dataset will provide researchers with a deeper understanding of movement patterns through various stages of the stay-at-home order and how those movements can spread the COVID-19 disease.

- **City of Alexandria:** On May 26 at 7PM, **City of Alexandria** Legislative Council will host a virtual meeting to provide a COVID-19 update.
