I. WEATHER

- **Today**: Mostly sunny. High 63°. Low 42°.

II. DEVELOPMENTS OF NOTE

- **National Capital Region**: WMATA released preliminary details of its COVID-19 pandemic recovery plan, outlining a flexible blueprint for ramping up service, while protecting customers and employees. The recovery strategy will be discussed at Metro’s Board of Directors meeting on Thursday, May 14.

- **District of Columbia**: DC Health and the Department of Forensic Sciences are working to conduct a citywide sero-prevalence survey to understand the rates of exposure to COVID-19. The survey will focus on individuals with a high risk of exposure, including health care workers, first responders, essential workers, and individuals living in congregate settings.

- **Maryland**: The University System of Maryland is planning to resume some in-person teaching and online learning this fall in order to maintain the health and safety of students, faculty, staff, and university neighbors.

- **Charles County**: The Charles County Circuit Court is offering a temporary legal advice hotline (family and civil matters). Dial 240.216.9113 to speak with a lawyer Monday, Wednesday, and Thursday 10 AM – 2 PM.

- **Prince George’s County**: The County is opening a quarantine facility for residents who are tested for COVID-19 by the county’s health department but are not able to safely quarantine or self-isolate at home. Residents may also be eligible for this facility if they live with a person 65 years or older who has an underlying health condition.

- **Arlington County**: Curbside yard waste and bulk trash item collection has been suspended due to truck crew health and staffing during the COVID-19 pandemic.

- **Fairfax County**: The Fairfax County Health Department has added new data points to its COVID-19 Case Data Dashboard to keep the public informed during the COVID-19 emergency.

III. COVID-19 (CORONAVIRUS)

- **Overview**: Johns Hopkins University reports 4,194,326 COVID-19 cases, 286,615 deaths, and 1,464,926 recoveries worldwide as of 6:53AM. In the US, there are 1,347,936 cases, 79,528 deaths, and 232,733 recoveries.

- **National Capital Region**: There are 39,022 COVID-19 cases and 1,585 fatalities reported in the NCR. [DC, MD, VA]
