II. DEVELOPMENTS OF NOTE

- **District of Columbia**: Police is seeking the public’s assistance in locating 16-year-old Delvon Green, who was last seen on June 13 in the 4700 block of Alabama Avenue, SE.

- **District of Columbia**: Seven people were displaced after a fire damaged two homes in the 2100 block of Half Moon Place NE last night. The cause of the fire is undetermined, and no injuries were reported.

III. COVID-19 (CORONAVIRUS)

- **National Capital Region**: There are 74,047 COVID-19 cases and 2,784 fatalities reported, in the NCR. [DC, MD, VA]

- **National Capital Region**: The Department of Veterans Affairs has announced 15 Fisher House locations are supporting front-line workers. The conversion of these houses to support frontline healthcare professional has helped ensure that healthy staff members can make the most of their limited rest time and keep their own families safe.

- **Nationwide**: As of June 12, the CDC has announced the latest COVIDView report shows that after declining for several weeks, the percentage of people positive nationally for COVID-19 increased slightly compared to last week.

- **District of Columbia**: Beginning today, COVID-19 testing will expand to include four firehouses each day. Testing sites are walk-up, and no appointment is needed.

- **Maryland**: The Health Department has announced as of June 11, more than 1,600 recovered COVID-19 patients have registered with CovidCONNECT.

- **City of Manassas Park**: City Hall will reopen today with several protective measures being implemented. All visitors to City Hall must have a facial covering unless said person qualifies for one of the exemptions listed in Executive Order 63.
