III. COVID-19 (CORONAVIRUS)

• **Overview**: Johns Hopkins University reports 9,273,773 COVID-19 cases, 477,807 deaths, and 4,645,628 recoveries worldwide as of 6AM. In the US, there are 2,347,102 cases, 121,225 deaths, and 647,548 recoveries.

• **National Capital Region**: There are 77,382 COVID-19 cases and 2,928 fatalities reported in the NCR. [DC, MD, VA]

• **Nationwide**: The Department of Labor announces an online tool to help workers determine eligibility for paid sick leave due to COVID-19.

• **National Capital Region**: The Commute with Confidence website is now available to help commuters navigate a new commuting landscape, as well as information on what local transportation providers are doing to make shared commuting as safe as possible as the region reopens.

• **Maryland**: The State has now distributed more than 50 million units of PPE to hospitals, state agencies, local health departments, and frontline workers towards COVID-19 recovery.

• **Maryland**: In accordance with State 2 of the States Department of Education Recovery Plan, Frederick County Public Schools will resume the summer Work-Based Learning Program on July 15.

• **Virginia**: On July 1, the State, including Northern Virginia will enter the third phase of the gradual reopening plan. While Phase 3 will ease some restrictions, the wearing of face coverings in public spaces and practicing social distancing remains in place.
